

reddot design award

Reddot Design Award Winner 2006 for high design quality, expressing innovation in form and function in an exemplary manner: G450 4-gas detector (Microtector II)

GIT Security Award Winner 2009 in the category Work safety + hazardous substance management: G460 (Microtector II)

reddot design award

Reddot Design Award Winner 2013 for high design quality, expressing innovation in form and function in an exemplary manner: Microtector III G888

Reddot Design Award Winner 2013 for high design quality, expressing innovation in form and function in an exemplary manner: Polytector III G999

German Design Award Nominee 2014 for highest certified security with sophisticated design: GMA 200

German Design Award Nominee 2014 for robustness and easy to use: Microtector III G888 (without pump)

German Design Award Nominee 2014 for robustness and easy to use: Polytector III G999 (with pump)

iF (International Forum) Award 2014 for product design: Microtector III G888

iF (International Forum) Award 2014 for product design: Polytector III G999

German Design Award Special Mention 2015: Microtector III G888

German Design Award Special Mention 2015: Polytector III G999
